

# Use of the emblem of the Statistical Office of the Republic of Slovenia

REPUBLIC OF SLOVENIA  
STATISTICAL OFFICE

The emblem of the Statistical Office of the Republic of Slovenia is an indivisible element that cannot be changed. PDF format is intended for use in print, while SVG or PNG formats are intended for use on the Internet and in other digital media.

## Clear space

Clear space is the space around the emblem in which there is no other graphic element. The minimum clear space is determined by 3/4 of the width of the coat of arms.

## Colour versions of the emblem

REPUBLIC OF SLOVENIA  
STATISTICAL OFFICE

Primary emblem - for use on light backgrounds (intensity of black background up to 20%).

REPUBLIC OF SLOVENIA  
STATISTICAL OFFICE

## Construction of links

REPUBLIC OF SLOVENIA  
STATISTICAL OFFICE

eStat

Link = SURS's emblem + name of the web application

x 3/4 x

REPUBLIC OF SLOVENIA  
STATISTICAL OFFICE

eStat

The distance between SURS's emblem and the application name is equal to the width of the coat of arms (x). The height of the application name is equal to the height of the text at the emblem (y). The font used is Republika Regular. The clear space is the same as for the emblem (3/4 x). The rules apply to all SURS's web applications (SiStat, Names, etc.).
