

New in SI-STAT: Exports and imports of goods, detailed data, December 2018

Exports and imports of goods, detailed data, Slovenia, December 2018

Detailed data on exports and imports of goods for the period from January to December 2018 are published in the SI-STAT Database.

Data on exports and imports are available as monthly series and as annual cumulative data. Data on exports and imports of goods are shown by countries, by country economic groups, by the Standard International Trade Classification, by the Classification by Broad Economic Categories and by the Standard Classification of Activities. Cumulative data are also available in detailed tables by the Combined Nomenclature and by countries.

Methodological note

Final data for 2018 will be published in the SI-STAT Database on 14 June 2019.

Detailed data

Detailed data and time series are available on the [SI-STAT data portal](#), which enables simple browsing and exporting of data in various formats. Registered users have the possibility to store tables for later browsing and to sign up to be informed when data are updated.
