

## More than a million overnight stays in april

Tourist arrivals and overnight stays, Slovenia, April 2019

**Almost 1.1 million tourist overnight stays or 10% more than in 2018 and almost 456,000 tourist arrivals or 12% more than in 2018 were recorded in accommodation establishments in April 2019. Foreign tourists generated 75% of all tourist overnight stays.**

### In April more foreign but less domestic tourists

Almost 456,000 tourist arrivals and almost 1.1 million tourist overnight stays were recorded in Slovenia in April 2019. Domestic tourists generated less arrivals and overnight stays, while foreign tourists, on the other hand, generated more.

Domestic tourists generated almost 102,000 arrivals or 14% less than in April 2018 and more than 264,000 overnight stays or 13% less than in April 2018. Foreign tourists generated more than 354,000 arrivals or 22% more than in April 2018 and almost 805,000 overnight stays or 21% more than in April 2018. Foreign tourists generated over 75% of all overnight stays.

### The most foreign tourists from Italy

In April 2019 the key markets, from which the most foreign tourists with the most overnight stays in Slovenia came, were Italy (18% or more than 149,000 overnight stays), Austria (12%), Germany (11%), Serbia (4%) and Croatia (4%),

Compared to April 2018 the number of overnight stays increased for all key markets. The biggest increase was recorded by German tourists (48%), followed by Italian tourist (32%), Austrian tourists (12%), Croatian tourists (9%) and Serbian tourists (6%).

### Seaside resorts in second place

In April 2019 the highest number of tourist overnight stays (25% or more than 265,000) was recorded in health (spa) resorts, followed by seaside resorts (22%), mountain resorts (19%), and municipality Ljubljana (17%).

Compared to April 2018, in all types of tourist municipalities the number of overnight stays increased. The increase in overnight stays was the highest in municipality Ljubljana (18%) followed by seaside resorts (16%), mountain resorts (12%) and health (spa) resorts (4%).

### Up to the end of April more than a million tourist arrivals.

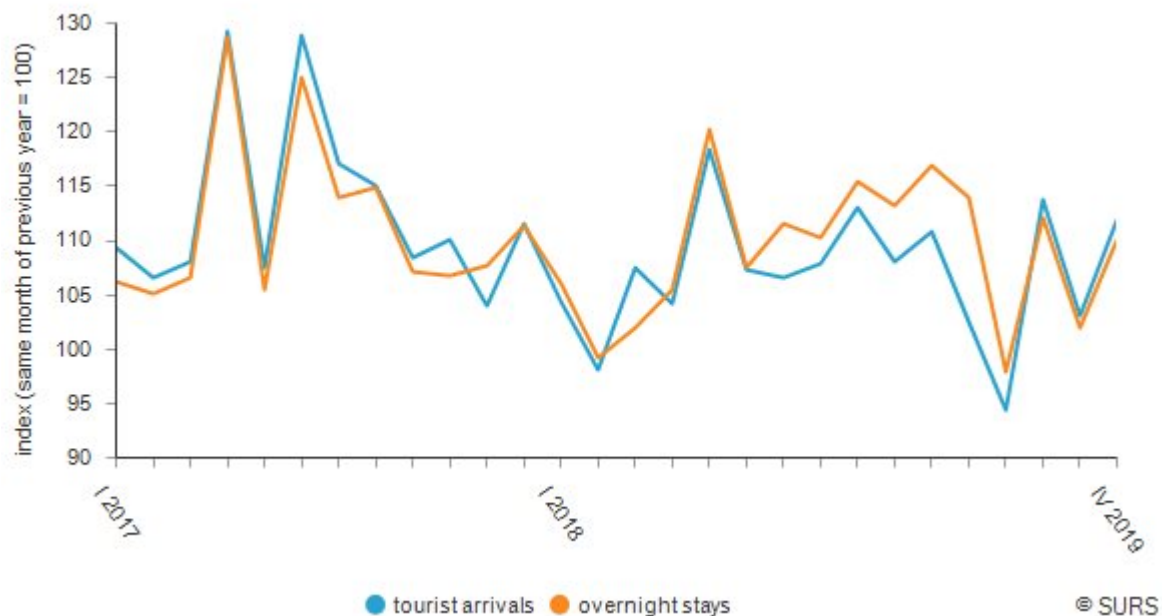

In the first 4 months of 2019 tourists generated almost 1.4 arrivals and almost 3.5 million overnight stays or 6% more arrivals and 5% more overnight stays than in the previous year.

In the same time tourists generated more than a million overnight stays in health (spa) reorts (3% more than previous year). Concerning groups of tourist accommodation, tourists generated almost 2.2 million overnight stays in hotels and similar accomodations or about the same as previous year.
