User Satisfaction Survey

***We are constantly striving to become better, so we would like to ask you to evaluate our work.***

The Statistical Office of the Republic of Slovenia (SURs) is the main producer and coordinator of national statistics in Slovenia. It is very important for SURs and its progress what users of statistical data and services think about it, so we invite you to complete a [satisfaction survey](#). The poll is anonymous. It will take you less than 5 minutes to complete it.

Thank you for participating in the survey!
