

15 november 2019
provisional data

Average earnings for September 2019 0.8% lower than earnings for the previous month

Earnings of persons in paid employment by legal persons, Slovenia, September 2019

Average earnings for September 2019 amounted to EUR 1,712.11 gross and EUR 1,105.26 net. Compared to earnings for August 2019 they were lower in nominal terms by 0.8% and in real terms by 0.6%.

Average earnings for September 2019 lower than earnings for August 2019

Average earnings for September 2019 amounted to EUR 1,712.11 gross and EUR 1,105.26 net. Compared to earnings for August 2019 they were lower in nominal terms by 0.8% and in real terms by 0.6%

The main reason for the decrease in average earnings for September 2019 (compared to average earnings for August 2019) was lower extra payments paid with earnings for September 2019.

Average monthly gross earnings for the January–September 2019 period increased in nominal terms by 4.3% and in real terms by 2.6% (in comparison with average monthly gross earnings for the same period of 2018).

Average earnings for September 2019 lower than earnings for August 2019 only in the private sector

Compared to earnings for August 2019, average net earnings for September 2019 decreased in the private sector by 1.3%, while in the public sector they were about the same as earnings for August 2019.

Average net earnings for September 2019 the highest in electricity, gas, steam and air conditioning supply

Average net earnings for September 2019 were the highest in electricity, gas, steam and air conditioning supply (EUR 1,518.24), followed by financial and insurance activities (EUR 1,512.66).

Average earnings for September 2019 higher than the national average only in the Osrednjeslovenska statistical region

Average net earnings for September 2019 were the highest in the Osrednjeslovenska statistical region (they amounted to EUR 1,199.86 and were 8.6% higher than the national average) and the lowest in the Primorsko-notranjska statistical region (they amounted to EUR 1,000.72 and were 9.5% lower than the national average).
